Ember Walsh is a trusting soul with the quiet beauty of her late mother, who perished in a mysterious car crash when Ember was three. A little tomboyish from being raised by her father, Ember packs a punch when a stranger gets pushy with her in a bar, catching the steely blue eyes of a tall, gorgeous tattooed man—Trace Montgomery. Still damaged from her last disastrous relationship and warned off the bad boy by friends, Ember fights the smoldering heat that Trace sparks in her when he begins shadowing her like a dark angel.

Burdened by a lifetime of horror and heartbreak, amateur fighter Trace doesn't want to want Ember. His deep self-loathing keeps him from having any meaningful relationships, but Ember is an itch he can't scratch. The two push and pull, slowly crumbling their walls, seemingly brought together by fate, because the turmoil that haunts their pasts is interlinked in undeniable ways. But can these two fighters finally lay down their arms?

In Beautifully Damaged, L.A. Fiore delves into deep scars and lets love and forgiveness uncover redemption.
