After witnessing a car crash outside his ranch house, Dr. Daniel Anderson rushes to help the girl behind the wheel. He carries her inside and tends to her wounds, all the while wondering what brought her out this far in the middle of the night. The young woman soon breaks down and confesses that her name is Emily and she's on the run from the police after fighting back against a vindictive cop who tried to take advantage of her.

Daniel and his brother Trevor, a Texas Ranger, feel protective of Emily and offer to keep her safe and help clear her name. They agree to let her stay on the ranch, and in return she promises to help out with chores and obey their rules. The prospect of real consequences if she misbehaves is exciting to Emily, and when she shyly approaches Daniel with this confession, he decides to give her a taste of his discipline. He takes her over his knee and spansks her bare bottom, and the love she feels as he cradles her in his arms afterwards is unlike anything she's ever experienced. She quickly discovers that Trevor is almost as strict as his older brother, and just as loving.

Though she is twenty-years old, Emily becomes their sweet little girl. Daniel and Trevor delight in buying her cute frilly dresses, taking care of all her needs, and disciplining her when she's been naughty. She thrives under their attentions and falls hopelessly in love with both brothers. It isn't long before they claim her, first each on his own and then both at once. Trevor is confident he'll have her name cleared in no time, but once he does, will Emily have to leave the men who've changed her life and stolen her heart, or can she stay their little girl forever?
