After giving Zephyr Breeze surf lessons for the day, Rainbow Dash is given an opportunity to temporarily spend some time alone with his surfboard, Gladys. The only reason why Rainbow did in fact agree to give Zephyr lessons in the first place was for Gladys, and Gladys only. Not him.

When Zephyr has to leave for a bit, Rainbow takes the opportunity to look after Gladys until he returns. Little does he know that Rainbow has something a little more *intimate* in mind for his board than just a simple wax-job.
