Marmee, Meema, and the kids are just like any other family on the block. In their beautiful house, they cook dinner together, they laugh together, and they dance together. But some of the other families don't accept them. They say they are different. How can a family have two moms and no dad? But Marmee and Meema's house is full of love. And they teach their children that different doesn't mean wrong. And no matter how many moms or dads they have, they are everything a family is meant to be. Here is a true Polacco story of a family, living by their own rules, and the strength they gain by the love they feel.
